

Salvation

By: Kenneth King

Have you ever lied? Have you ever called any one names? These types of things are called sin. Sin is our disobedience to God, weather big or small, and according to the Bible we have all sinned. For Romans 3:23 (AKJV) says, "For all have sinned, and come short of the glory of God;" Also according to the Bible sin brings death. For the first part of Romans 6:23 (AKJV) says, "For the wages of sin is death;" This is not just talking about a physical death but also an eternal spiritual death. Meaning an eternity separated from God in hell. But God has provided a way of salvation by sending His only son Jesus Christ to live a sinless life and to die on the cross to pay for our sins. For the second part of 1Corinthians 15:3 (AKJV) says, "Christ died for our sins according to the scriptures;" The Bible also says that God offers us this salvation through Christ as a free gift. For the second part of Romans 6:23 (AKJV) says, "but the gift of God is eternal life through Jesus Christ our Lord." To receive this free gift of salvation you must confess that you are a sinner, repent of your sin, and make Jesus Christ your Lord and Savior. For Romans 10:9 says, "That if you shall confess with your mouth the Lord Jesus, and shall believe in your heart that God has raised him from the dead, you shall be saved." If you want to receive God's free gift of salvation today, pray a similar prayer to the one below.

God, I come to and I admit to you that I am a sinner. God, I believe that Jesus Christ died on the cross to pay for the penalty of my sins and that He rose three days later. And right now Lord Jesus I repent of my sins and I turn to you for forgiveness. Jesus, right now, I make you my personal Lord, King, and Savior. Thank you for this free gift of salvation that you have given me. In Jesus precious name I pray, Amen!

If you just prayed this prayer and meant what you prayed, then God has forgiven all of your sins, and you **ARE SAVED**. Go tell a friend, a family member, or any one about this decision you made and how you receive God's free gift of salvation. This was the best decision of your life. Begin to read the Bible and go become a member of a Bible based church. These things will help you grow in your relationship with Christ. Amen!
